

VELOCITY RESOURCING

Velocity Solutions is an information technology and business process services firm. We help our clients enhance their technology investments and operational environments. Our expertise extends from planning, installing and managing network infrastructures across Asia Pacific through to selecting and implementing business systems in the finance, telecoms and services sectors. Our clients get the results they planned for.

Velocity Resourcing is a specialist business unit within Velocity Solutions that provides both permanent recruitment and contract resourcing services.

The Velocity Resourcing team is comprised of skilled recruitment professionals who have worked with the world's leading recruitment firms.

We understand people and technology, and can communicate at peer level with both our clients and our candidates.

We have a global network of highly skilled, experienced candidates in our database. Our professional practices ensure all candidates are thoroughly interviewed, briefed and reference checked prior to submitting their details to you.

OUR ENGAGEMENT MODEL

We like to keep things simple and effective. We do not charge retainer fees. We work only on a success basis. Our permanent recruitment fees are calculated as a percentage of annual salary. This lowers your risk and motivates us to deliver the right person for the role.

Our rates are reduced if Velocity is appointed as an Approved Service Provider to your company. We also provide a 3 month guarantee period for talent permanently placed within your company.

Contract personnel are billed out to you on either a daily or monthly rate. Velocity administers all contractor benefits and regulatory requirements so you can focus on your business objectives. Many of our contract resources transition to permanent status with their clients over time.

WE WORK FOR YOU

Velocity Resourcing works for you. Think of us as your outsourced recruitment function.
